

Mackinac Island

community foundation

Special Message

Your Mackinac Island Community Foundation, along with other community organizations in EUP of Michigan, continues to monitor the status of the coronavirus disease 2019 (COVID-19). We are also gathering information about local needs; particularly as widespread and necessary closures impact vital services to all members of our community. Our mission is promote the general well-being of Island residents and we are prepared to work alongside community leaders and partner organizations to help meet these emerging community needs.

As information about COVID-19 and its implications are changing rapidly, we encourage you to use the following official resources for current information:

LMAH Health Department <https://www.lmasdhd.org>

State of Michigan/Michigan Department of Health and Human Services (MDHHS):
<https://www.michigan.gov/coronavirus>

Centers for Disease Control and Prevention (CDC):
<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

If you need services, we encourage you to call 2-1-1. 2-1-1 connects you with thousands of nonprofit and government resources in Mackinac County. They are working with the Eastern Upper Peninsula's United Way and ourselves to ensure services are available for you.

While our office is open, we encourage donors and grantees to call or email. We are implementing social distancing and either working from home or limited staffing in office.

Be Safe,
Stephanie

STEPHANIE MCGREEVY
Executive Director and CEO
