

**Mackinac Island**  
community foundation

# *2019 Annual Report*

# Impact Investing on Mackinac

---

Through the support of our community, Mackinac Island Community Foundation brought a decades-long dream to life in 2019 with the development of **Forest Way Townhomes**.

The Mackinac Island community has long understood the necessity for accessible year-round housing, but the project officially began in 2017 with an updated survey to identify need and focus. After working with Cinnaire, a Community Development Financial Institution (CDFI) which provided project leadership, and securing the perfect location, Mackinac Island Community Foundation and the City of Mackinac Island worked on pulling together the funding for the project.

MICF donated nearly **\$435,000** to the project, including a **\$250,000** grant to supplement the land purchase in 2018. The initial funds came from the **Richard and Jane Manoogian Historic Preservation and Open Spaces Fund**. MICF also granted from unrestricted and field-of-interest funds for true community impact.

The City contributed **\$270,000** from general funds in 2020 and used a Capital Improvement Bond for **\$2,070,000**. Along with the City of Mackinac Island, partners for the project included Cinnaire, architect Brad Williams, and Oakwood Construction. **Forest Way Townhomes are now available for rent as of June 2020**. The Foundation remains interested in affordable workforce housing and 12 additional units will be constructed at Forest Way, with future projects on the horizon.

*Workforce Housing was made possible through the following:*

Beaumont Fund

Island Community Needs Fund

Donald and Valera Bortz Health and Medical Fund

Joe B. Sullivan Memorial Fund

Francis H. Straus II Memorial Fund

Mackinac Island Housing Fund

George and Judith Goodman Fund

Robert and Jeannette Doud Fund

Harry Myron Memorial Fund

Richard and Jane Manoogian Historic  
Preservation and Open Spaces Fund

Health and Medical Care Fund

---

## *a resident's story*

---

**“I hope this new community can help grow the next generation of strong, involved, and impactful community members.” - Emma Motz**

*Dan, Emma, Beau, and Maizy outside their new home.*

Forest Way Townhomes Community Manager, **Emma (Chambers) Motz**, grew up on Mackinac Island. When the housing development began, Emma knew she wanted to become involved.

“I watched the project transpire from the beginning as I walked by daily with my children,” says Emma. She added her family to the applicant list as soon as it was available. In early February, the apartment management company, KMG Prestige, reached out to Emma and her husband, Dan, about a management opportunity, and they were hired in April of 2020. The couple live on location at Forest Way with their two young children.

Emma hopes that the new workforce housing will allow others to share the unique and special experience of year-round living and working on the Island.

“The tenants that live here are beneficial to the island through their jobs, and they are so talented in their hired positions,” she says. “I am hoping that this housing can keep them on the island and be the stepping stone to them eventually starting families here and being lifelong involved members of our community.”

To learn more about Workforce Housing at Forest Way Townhomes, contact KMG Prestige at 833-381-0480 or [forestway@kmgprestige.com](mailto:forestway@kmgprestige.com)

# Together, we're making a difference.

---

Thanks to your generous support, the Mackinac Island Community Foundation distributed a total of **\$402,426** in grants for the year of 2019.

## **Anne and Stephen Murray Fund**

**\$500** | Mackinac Arts Council for operational support

**\$500** | Ste. Anne's Catholic Church for operational support

## **Barbara and Frank Lewand Fund**

**\$1,042** | Northland College to fund the Great Lakes Islands Summit

**“You have to look at your future, and what you plan to leave behind.”**  
- Carol Rearick

**Carol Rearick** understands the importance of planning for a legacy. The daughter of late Mackinac Island residents Clayton “Tim” and Anna Timmons, Carol cares deeply for Mackinac and for years has kept a summer home on the Island with her husband, Doug.

Carol maintains that the Mackinac Island Community Foundation is crucial to making a difference in the Island community, now and in the future. The new Island Essential Needs Fund is an example, she says. “That funds like that exist illustrate how important it is to be prepared and have something to fall back on.”

This reason is also why Carol is an enthusiastic member of the MICF’s Legacy Society. “We always think we have time,” she says, “but you begin to look at the future and become more mindful of your plan.” Certain life events, Carol says, make one more conscious of the need to leave a legacy for future generations. Carol and Doug plan to do just that with their commitment to the Legacy Society, where they will continue to have an impact on Mackinac Island for years in the future.

**Future gifts or contributions through estate planning** are some of the simplest and most effective methods of supporting the community foundation. The following individuals have notified MICF of their plan to make a lasting commitment through the Legacy Society.

Anonymous	Tom and Kathy Lewand	Nancy Reeser
Dennis and Cynthia Cawthorne	Bill and Cam Liebold	Christopher Straus
Brad and Nancy Chambers	Shaun and Emily Murray	Michael and Melissa Straus
James and Arliss Dieleman	Dan and Marlee Musser	Lorna Puttkammer Straus
Margaret Doud	Dennis O’Keefe	Brian Suelzer
Alex and Kristi Graham	Debra Orr	Mary Sullivan
Frances Dufina Hayes	Sandra Orr	Bob Traxler
Kirby and Jennifer King	Charles and Cordelia Puttkammer	Peter and Carol Walters
Charles and Marsha Kleber	Carol and Doug Rearick	

# Scholarships & Youth

---

In 2019, Mackinac Island Community Foundation granted scholarships totaling **\$22,000** to support students who graduated from Mackinac Island Public Schools.

\$14,000 was granted for **Gabriel Hepker** to attend Grand Valley State University while studying psychology for 4 years. Gabriel received the Founder's Scholarship for \$8,000 (\$2,000 each year), the Richard and Jane Manoogian and Mark Gallagher Scholarship for \$2,500, and the Mark Gallagher Scholarship for \$3,500.

**Aaron Riggs** was granted \$8,000 to attend North Central Michigan College while studying Computer Numerical Control for 2 years. Aaron received the Founder's Scholarship for \$4,000, the Margaret and Wesley Maurer Scholarship for \$2,800, and the Mark Gallagher Scholarship for \$1,200.

In 2019, MICF also established the **John Franks Scholarship** and the **Stella King Scholarship**. The John Franks Scholarship was established by John Franks and the Mackinac Island Public School to encourage students to further their education at a college or university of higher learning. The Stella King Scholarship was started and perpetuated by friends of the late Stella King, a nurse who was instrumental in improving the quality of life for Island residents and visitors. The scholarship is awarded to Mackinac Island Public School graduates seeking higher education in an accredited vocational program, community college, or four-year public university.

## Youth Advisory Council

---

The Youth Advisory Council (YAC) encourages youth leadership development on Mackinac Island. The council is composed of young people and adult mentors and was created to teach the community's youth about the importance of philanthropy.

Throughout the winter, the council participates in delivering meals for Ste. Anne Catholic Church's Meals on Snowmobiles and the annual St. Patrick's Day dinner.

## About the Featured Artist: *Kate Dupre*

**Kate Dupre** is a Mackinac Island resident who works both independently as an artist and as the owner and operator of Watercolor Cafe (opened in 2019), which serves as a cafe and venue for art classes.

Kate's primary artistic passion over the past few years has been acrylic painting. Graphite, watercolors, fiber art, ink/calligraphy, graphic arts and film photography are other mediums explored.

She is inspired by the beauty and spirituality of Mackinac and her personal work is an ode to the natural Island. Her work can be found for sale at locations in Mackinac Island, Petoskey, and Grand Rapids.

In 2020, Kate generously offered a series of paintings entitled "Shelter-In-Place" for sale by donation to benefit MICH's Island Essential Needs Fund, created to support urgent needs of Islanders during the COVID-19 pandemic.

# Dear Friends,

---

Last year concluded our first quarter century! Who would have imagined that the Mackinac Island Community Foundation would grow to over \$14,000,000 in assets? Now, thanks to you, we are pleased to report that in 2019 we continued to grow by \$3,000,000 in assets. We also expanded grant making and created new funds.

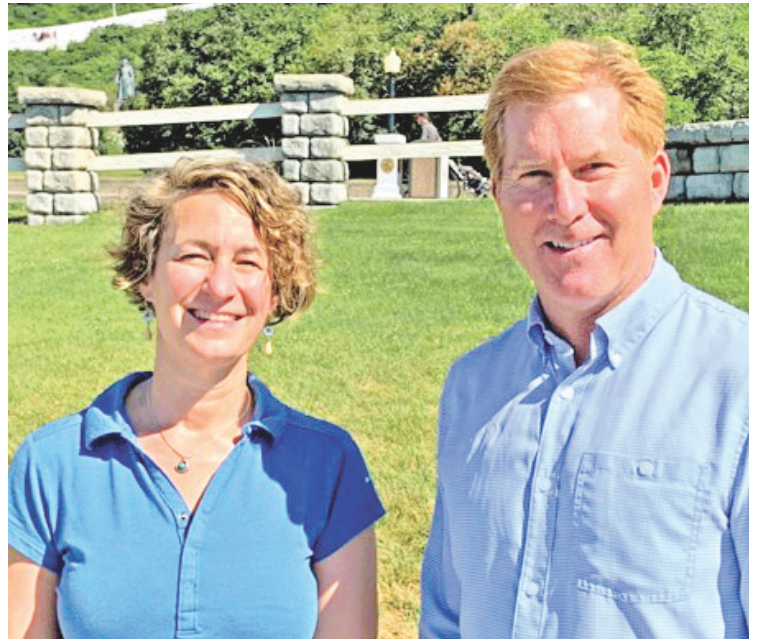

The Board listened to the needs of the Island community. For many years the need for accessible year-round housing was a high priority but seemed more like a dream. This year the dream became a reality with construction of the Forest Way Townhomes. By listening to the needs of the Island community we worked with the City, its residents, and many of our donors to raise the funds necessary to make 12 housing units available for year-round residents.

In 2019 we partnered with agencies and together granted over \$420,000 for the health and well-being of Mackinac Island, its residents and visitors. The grants supported recreational opportunities, the arts and culture, education, and supported the Island culture and environment.

On behalf of the Board of Trustees, we thank you for your continued support of the Mackinac Island Community Foundation. We are strengthened with each opportunity. **For good. Forever. For everyone.**

**Jim Murray**  
*Chair*

**Stephanie McGreevy**  
*Executive Director*

## 2019 Board of Trustees

---

**Jim Murray**, *Chair*  
**Kathleen Rickley**, *Vice-Chair*

*Now more than ever, your support matters.*

**"I was happy to give to MICF and its Essential Needs Fund. I live in NYC, but I grew up in Michigan and have gone to Mackinac nearly every summer of my life, sometimes multiple times in a season. The island is a very special place to me and my family, and I wanted to give to the Essential Needs Fund as I thought that would help MICF when dealing with the current health crisis." - Mark Shock, NY**

In response to the impact of the novel coronavirus in 2020, Mackinac Island Community Foundation has established the **Island Essential Needs Fund** to address emerging critical needs of the Mackinac Island community. This new fund directs foundation resources to Island residents who have difficulty meeting basic needs or have been adversely impacted by the COVID-19 crisis, and provides support to vital Island organizations and services like the Mackinac Island Medical Center and Meals on Wheels.

You can help make a difference today! Donate to the Island Essential Needs Fund using the enclosed envelope, or give securely online at [micf.org](http://micf.org).
