

Mackinac Island
community foundation

INTRODUCTION

The Mackinac Island Community Foundation (MICF) offers scholarships to help area students with financial responsibilities associated with higher education.

If at any point you have questions, please contact your student support specialist.

Best wishes for a bright future!

Mackinac Island
community foundation

GENERAL INFORMATION

Founded in 1994 by a group of local citizens, the MICF is a charitable organization dedicated to promoting the general well-being of Island residents and visitors, by working in community partnerships to generate endowed and unendowed funds and stimulate community-wide initiatives.

The MICF administers many types of funds, including scholarship funds that provide educational opportunities for Mackinac Island students. These funds were established by individuals to provide financial assistance to Mackinac Island students as they pursue higher education.

ELIGIBILITY

Each scholarship fund has specific criteria as defined by that donor that established the fund. Specific eligibility criteria are listed in the descriptions of the scholarships on pages 6-8.

EARLY COLLEGE PROGRAM PARTICIPANTS

You will need to apply during your fifth year, the last year of the Early College Program. If you are awarded a scholarship, it will be awarded in the same process as all other scholarships.
(See page 3 – Payment Process for Scholarship Recipients)

APPLICATION PROCESS

1. Go to scholarship descriptions, pages 6-8, for details on each individual scholarship to determine the criteria. Pay particular attention to any special requirements.
2. Now go the checklist on page 4 and begin the application process.

APPLICATION DEADLINE

The online scholarship application portal will begin taking applications from December 20, 2023. All completed scholarships applications are to be submitted online to the micf.org website by Friday, March 15, 2024, 11:59 pm, ET.

Mackinac Island
community foundation

Payment Process

If you receive a scholarship, the Community Foundation will provide you with an award form requesting your contact information, a class photo, as well as the name of the college you will attend.

Scholarship checks cannot be processed until the completed award form is returned to the Community Foundation. The Community Foundation will make scholarship checks payable to the college or university indicated on the form and the check will be sent directly to the financial aid office in mid-July.

The scholarship must be used for non-taxable purposes including tuition, books, fees and/or equipment for coursework according to the Internal Revenue Service guideline.

Scholarship amounts are based on the availability of funds and are non-renewable unless otherwise indicated.

If you are awarded the Founder's Scholarship, you will be required to enroll in a minimum of 12 credit hours per term/semester and maintain a cumulative 2.5 GPA. If a student fails to complete either requirement, they will lose the scholarship for the following term/semester. Should the student return to good standing with a 2.5 GPA or higher, the scholarship would be reinstated. The scholarship of four (4) years for college or two (2) years for Community college or trade school will be available for six (6) years following the student's graduation from the Mackinac Island Public School. The student will be required to submit their past term grades and future term class schedule to receive the next terms tuition payment.

Students may request a deferred payment for up to one year. This exception is made on a case-by-case basis, depending on the student's circumstances. Please contact the Community Foundation at 906-847-3701 if you need to take advantage of having your scholarship deferred.

NOTE: Scholarships must be claimed or deferred **by October 31 or the scholarship will no longer be available** and the dollars will be directed back to the fund.

Please notify the Community Foundation of any changes in your contact information that was originally provided on your award form. This includes: Name, Mailing Address, Telephone Number and E-mail Address.
